Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The participants discussed the pending claim objection, as well as the written description rejection. Mr. McCarthy discussed that the specification supported the claims in regard to written description and that sufficient examples were provided to support possession of the polypeptides listed in the claims. The Examiner readdressed Applicants' claim language in relation to the 112, 1st written description rejection and noted that she would reconsider Applicants' arguments in a written response to the Office and facilitate another interview in order to close prosecution .
